Charis moved to book the Smokin Aces for after the rodeo up to a total of spending \$1200.00 for 2 sets, there was a second, the vote passed. We will need at least two flood lights for the band.

Auction

The walk through went well. Oasis is currently in good shape we still need to communicate with Stacy we will need a few tables and chairs. Dumpsters have already been ordered from Keele. We will need to get trash cans (maybe from the arena). We will also need paper towels, hand soap and toilet paper. Charis is going to try to get a radio add out and the flyers are currently being worked on. Marlene moved to let Charis boost the Auction via facebook as needed, there was a second and the motion passed. For the AR-15 with accessories, Charis moved to set the card raffle price at \$100 / card there was a second and the motion passed. Get Loaded will be there. February 5th will be a clean-up day at the Oasis.

Roller Harrow currently has no updates

Anniversary buckles have been ordered and are on their way.

Insurance coverage, we are still working on finding coverage. PRCA coverage only needs 1 million for coverage. Charis and Jason talked with Jed about the coverage. It is very hard to find

coverage that is 3-5 million when everything is 1 million. Jed is going to talk to the lawyer about the policy and how hard it is to find a policy that is at 3-5 Million.

New Business

Annual fees are due at \$5.00.

Paisley Sheely our 2023 princess is having a benefit fundraiser on February 24 in Powell. Paisley has been diagnosed with cancer. Marlene moved to write a check for \$500.00 to Paisley, put a gift basket together for her auction and then spend up to \$1000.00 at her auction on February 24, there was a second the motion passed.

Announcer

We have four options for an announcer

One from Utah roughly asking \$1200.00

JW Kinder from Casper is asking \$700.00

Andy Schawb is asking \$500.00

We will reach out to Josh Linebaugh

We also will reach out to Jeff and see who he suggests.

For gate help this year, we are going to reach out to Search and Rescue and see if they would like to work the gate. Maybe suggest they "fill the boot" at the gate and we could possibly match what they make.

There was a motion to add Kimmy Curtis and Trina Purcell to the royalty bank checking account at first bank of Wyoming as signers with debit card usage; the motion was second the vote passed.

We need to clean the Oasis on February 5th either at 7 pm or via text when we can all meet up.

Next circuit meeting is February 13

Next official meeting February 26

Meeting adjourned 10:14 pm
