

Lovell Rodeo Club March Meeting Minutes 2021

The meeting was called to order at 7:10 pm at FBWY conference room. The minutes were read by Marlene. Trina, Charis, Kolt, Piper, Dick, myself, Jason and George were present for the meeting.

Charis gave the treasurer's report. Our account balance is \$15,353.80 and the royalty account has \$511.16. The auction grand net total was \$10,480.22. Without the credit card fee it was \$10,900.00. \$90.50 was donated. It cost us \$200.00 for the radio add and \$108.00 for the news add.

Old Business:

Talked about having the auction in February next year. Hosting it at the All American Bar again, setting up the PA system before hand, and finding a new way on how to hand out the silent auction winners. Maybe having two auctioneers. Thank you cards need to be wrote for those that helped us out during the auction.

Mustang Days Rodeo has been confirm to be held on June 26 at 2:00 pm. Charis has already reserved the arena for the day and paid the insurance. It will cost a total of \$350.00: \$100.00 to rent the arena and \$250.00 deposit.

Jason and Charis went to the town meeting and it went very well. The town is for having a flag pole at the arena; we need to come up with material and they will put the pole up. The town wants to tie the water into the city line. If we keep in contact with the city they will put the water line in for us. The town can get grants for us to use at the arena. We need to come up with a list of what we want/need and let the town know. The town was very open minded to us having a yearly rental fee. We need to give them a list of possible events we may hold. We talked about suggesting a yearly rental fee to the town, building more pens with water and adding trees for shade.

Jason and Charis both went to the motor board meeting and that meeting went well. They talked with them about putting in stock tanks, building a permanent bathroom and concession stand with locks.

Charis moved to have the Stock Bids in by May 1st, Marlene second vote passed.

Dick gave Charis and George a list of working hands needed to help with the day of rodeo.

List reads as:

Calf chute- 1 person to open gate and chute, 2-3 people bringing steers and calves up to roping chute

Stripping chute – rough stock- gate openers – 2-3 people needed to take off equipment

Calf & steer catch pen – gate opener – 1 or 2 people getting ropes off

We talked about who we need to ask:

Billy Farsen, Workmans, Jason & Kolt, Arron & Dave Wilkerson.

For sponsorships this year we will not have H & R Block. We want to give it to Wyoming Lime. WY Lime is committed for a chute; all chutes are spoken for. We talked about enlarging banners, walking from business to business and asking them about sponsorships along with handing out a letter. Buckles, Flags and Banner sponsors are still left. George moved to divide the sponsorship letter between banners, buckles and flags; Marlene second voted passed. Charis will make the changes to the letter and then mail them out.

Charis Mailed the letters out.

Entries will be due 2 weeks before the rodeo on June 12. We agreed to have phone entries for one day on June 21 the Monday before the rodeo. We are going to ask Cowley if we can have paper entries forms at their rodeo.

The derby is the weekend before; we need to work the arena every day after words. Jason said he would talk to Tom from Heart Mount. Equip. about an arena groomer. We talked about asking Rynos Rentals about using a tractor etc for the arena also.

We talked about having arena rules, posting rules and having an arena director. Having an arena director was tabled for Aprils meeting. Charis moved that Trina and Marlene come up with a set of rules that can be posted day of the rodeo and have it ready by Aprils meeting; Marlene second voted passed.

For the Grand entry George would like a list of grand entry order. Wes Mangus said that he would like to help with the grand entry this year. Charis moved that George comes up with a list of what he needs for the grand entry as an announcer. Marlene second voted and passed.

New Business

There is flag pole in Cowley. We need to reach out to the town of Cowley. Marlene needs to reach out to American legion on ordering a flag that is made in the USA and that they are poly.

Marlene talked about the first Mustang Days Board meeting. There is no Dauntless run this year. List of events for the week are:

Demo Derby June 19

Rod & Gun 21 or 22

Corn Hole Tournament 22

Follies (talent show) 22-24

Family Fun night 25

Saturday:

Golf Tournament

Fun Run

Parade

Rodeo

Fire Works

Volleyball

Cayde Obrian designs our web site it will cost \$525.00 for 3 years. She will donate the rest. We will need to buy the domain name. Trina moved to buy the domain name Jason second voted and passed.

We need to try to get her to come to a meeting

Food for Thought

Ranch Rodeo & Dance

Tabled, make small, reach out for help. Marlene needs to look up rules
August Concert

Meeting was adjourn at 10 pm. Next meeting is April 26 @ 7 pm in the conference room
